Langham Place x LEGO® : White Christmas

Langham Place, one of the largest and most popular shopping malls in Hong Kong, partners with the first Chinese LEGO® Certified Professional (LCP) Andy Hung to create the one-of-a-kind Langham Place x LEGO®: White Christmas Exhibition in 2016. To celebrate the launch of this creative project, Andy has designed an exclusive Christmas Elf Café LCP Box Set that echoes the theme of the exhibition.

Enjoy building this lovely and limited LCP Box Set. May the magical blessings of Christmas be with you always!
